

2022 Window Display Competition

Yindyangidyal Ngurambang is Wiradjuri language meaning to honour/respect country. It captures the theme of this year's festival. We're celebrating Cowra. Our history, our people, our cultural diversity, our region, our villages, our town. We're celebrating all things that make Cowra such a special place to live, work and to visit.

Schools, pre-schools, businesses and community groups are encouraged to create a window display that captures the theme of this year's festival. You can focus on one specific nation or culture, a piece of Cowra's history or create a display that captures the essence of your group.

Displays should be installed by Friday March 18 with winners announced at the Carnival on Saturday 2 April. If you need any assistance in securing a shop window please contact the festival organiser. If you are a business who would like a display please feel free to contact the festival organiser.

Please complete the form below and return it by Friday March 18.
