MRF Update

The NSW EPA has provided advice this week that: *All waste and recycling operations, including those open to the public, can recommence. Re-opening should be done in a safe and staged way to protect your community and your staff.*

Accordingly, Council has adjusted the services currently provided at the Cowra MRF. The MRF is open if you meet NSW Health criteria for leaving home, but please be aware of the following:

- Only one person per vehicle to attend the site (Current Public Health Orders stipulate only one person in the household can leave their residence to obtain food, goods or services once a day).
- Check in using the QR code.
- Wear a mask while onsite and practice social distancing between customers and staff.
- Avoid approaching and querying facility staff about the restrictions and other general matters. If you wish to clarify any issues please do so via a phone call prior to your essential trip.
- Pay using EFTPOS if possible.
- Both the Community Recycling Centre and the Cowra RDA Second Hand shop remain closed until further notice.
- Note - Kerbside pick-up services are unchanged.

Providing a safe environment for our customers and our team is Council's priority.

Customer Service Centre

Council's Customer Service Centre is temporarily closed. Please call us on 02 6340 2000 or email council@cowra.nsw.gov.au and we'll be able to help. For a full list of Council facilities and services affected by the lockdown, visit www.cowracouncil.com.au

Cowra Saleyards

Customers are reminded that masks must be worn at all times at the Cowra Saleyards and that you must have a genuine reason for visiting the facility. You must check in and out using the QR Code provided at the gate and practise social distancing.
