30 August 2023

ARE YOU DISPOSING OF YOUR BLISTER PACKS CORRECTLY?

While blister packets are used for pills and tablets, (lozenges are hard plastic), they are often glued with foil which means they can't be recycled via your yellow recycling bin. Cowra Council have partnered up with PharmaCycle and local pharmacies to offer a free recycling service for all your used blister packets.

Please remember that blister packets must be empty before being disposed. Drop off points are at Cowra MRF and Optimal Pharmacies, there is also a drop off point in the main Council building.
