### Silverleaf Nightshade Weed Control

Silverleaf Nightshade weed is currently up and in full flower. Landholders are advised that the General Biosecurity Duty applies to this, and other Priority Weeds as determined by The Central Tablelands Strategic Weed Management Plan 2023-2028 or the DPI Weed Risk Assessment system.

Landholders are required to implement effective controls and practices on an on-going basis to discharge their duty. Council Officers will be conducting roadside spraying of Silverleaf Nightshade in the Pine Mount, Kangaroo Flat, Porters Mount and Darbys Falls road area over Feb-March.

Council Biosecurity Officers are currently also conducting property inspections for Silverleaf and Sticky Nightshade, Blue Heliotrope, Thorn Apple and other summer active Priority Weeds as required under the Biosecurity Act 2015. Any questions or concerns can be directed to Cowra Council 02 6340 2070.

### Wyangala to Canberra Bus Service

For the past few years, a trial bus route has been operating every Friday between Wyangala and Canberra, via Cowra.

Transport for NSW introduced the trial bus service to help residents attend medical or business appointments, go shopping, enjoy recreational activities and visit family and friends.

The trial is coming to an end in June 2023 and the message now from Transport for NSW is, use it or lose it!

After a strong local response in the early part of the trial, numbers have plateaued. For the bus service to be considered viable into the future, usage numbers need to increase.

Return tickets from Wyangala to Canberra are just \$33.30 return or just \$2.50 for a concession Red Ticket. There are stops in Civic, the Canberra train station, Canberra Hospital at Woden, and room for your shopping, luggage and prams.

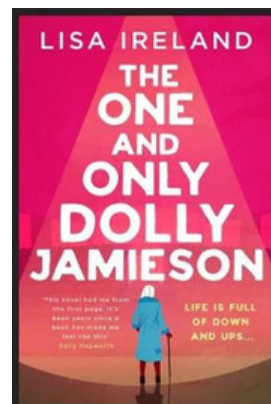

Bookings are essential and can be made via Live Better Services on (02) 4356 6517.

## SEAN CHOOLBURRA in WORLD BY STORM

Sean Choolburra has had a career and life unlike any other. With the skills to back him, he established himself in the world of dance, became one of our First Nations' leading comic geniuses, and could entertain a microphone stand if he had to.

But he doesn't have to. A comedian, rap singer, dancer and hip-hop didge player, *World By Storm* is the story of Sean Choolburra.

Hailing from Townsville, Sean's ancestors are Gu-Gu-Yalanji, Kalkadoon, Kandju and Bwgcolman from around Townsville and Palm Island. He has toured throughout Australia, Canada, Japan, New Zealand, the USA and the UK.

"A funny man with an undeniable warmth."  
*The Age*

"Truly gifted; he can sum up a whole situation in one facial expression"  
*Australian Stage*
