Council encourages members of the community to participate in this survey and share their feedback, vision and ideas for Council into the future.

COWRA VAN PARK CABIN CLEAN UP ON AUGUST 6

Three cabins at the Cowra Van Park have been written off by the 2022 flood event. These will be removed for disposal to the Cowra MRF on Sunday 6th August 2023.

Cabin 6 at the park is oversized and therefore requires a crane, large trailer and escort vehicles to move legally. The crane will need to set up on Lachlan Street to lift the cabin onto a waiting truck/trailer.

Council plans to minimise traffic disruption by moving the cabin early morning Sunday 6th August 2023. Cowra Council will organise for road closures of a section of Vaux Street, Lachlan Street and the Low Level Bridge Rd.

Council plans to close the road at 7am and promptly set up and move the cabin. Roads will be closed from 7am - 12pm in case there are any problems and reopened once work is completed. For further information contact Council on 02 6340 2000.
