## ROADWORKS: BULKHEAD ROAD AND FISHBURN STREET

Cowra Shire Council wishes to advise that Council's Contractors will be undertaking pavement upgrade works at the intersection of Bulkhead Road and Fishburn Street from April 2-29. During the work and whilst the concrete cures, the road will be closed to all traffic from all directions. For more information please contact [Cowra Council](http://www.cowracouncil.com.au) on 02 6340 2000.

## MORONGLA RD/ REIDS FLAT RD UPGRADE

As part of the conditions of development consent for Glenella quarry, Council has commenced the upgrade of Morongla Road and Reids Flat Road intersection. Traffic headed south on Reids Flat Road will soon have to give way to north bound traffic turning the corner westbound into Morongla Road. There will be traffic control in place during works with minor delays expected.

Work is expected to take approximately a month.

Council apologises for any inconvenience this may cause. For further information please contact Council on 02 6340 2000.

## COWRA MRF CLOSED APRIL 30

The Cowra MRF will be closed on Tuesday 30th April due to our weighbridge being out of service.

In lieu of this closure the Cowra MRF will be open on Monday 29th April 7:30am to 4:00pm.

**Normal garbage and waste collection will remain unaffected.**

We apologise for any inconvenience this may cause.

## Jukes Lane – Changes to Traffic Conditions (UPDATED)

Work will now commence on Tuesday 30 April 2024 to install culverts across Jukes Lane. During works there will be a single lane sidetrack and Give Way signage in place for road users. The estimated completion date for this project is now Friday 10 May 2024 (weather permitting). Council apologies for any confusion or inconvenience this may cause.

Contact Infrastructure & Operations on (02) 6340 2070 for further information.

## POSITIONS VACANT

## PORTERS MOUNT RD CLOSURE

Please note Porters Mount Rd will now be closed to through traffic for causeway upgrades, from Monday 29 April 2024, reopening Monday 6 May 2024 (weather permitting). A detour will be in place via Jerula Ln and Camp Rd. Council apologises for any inconvenience this may cause. Contact Infrastructure & Operations on (02) 6340 2070 for further information.

## Water Leak Detection and Reduction Program

Did you know that the real water loss average in NSW is 116L/connection daily? Based on this average, real water loss in our area is more than 33ML (>33million litres) annually! To reduce water loss Council is currently undertaking a leak detection and reduction program. From Wednesday 3 April 2024, the team at Water Intelligence International will be moving around the region to identify any leaks in our Cowra and surrounding villages water networks.

Leak detection will be occurring in - Cowra, Woodstock, Gooloogong, Noonbinna, Wattamondara, Koorawatha, Bendick Murrell and Greenethorpe.

Investigations will take up to 4 weeks; during this time, it is not anticipated that there will be any disruption to water supply. The community can assist with leak reduction by continuing to report: water mains breaks and leaking water meters.

For more information or questions about leak detection, please call Council's Infrastructure and Operations Team on 02 6340 2070.
