

Disability Inclusion Action Plan

We need your help to gather vital information to assist us in redeveloping Council’s Disability Inclusion Action Plan (DIAP).

The DIAP aids Council in identifying strategies it needs to focus on to encourage, recognise and promote a welcoming, inclusive and barrier free environment for people with disabilities and diverse needs. This can be achieved through promoting more accessible and inclusive workplaces, businesses and communities. The survey may be completed online via the following link -

<https://www.surveymonkey.com/r/M6BD7ML>

The key areas of focus are:

1. Developing positive community attitudes and behaviours
2. Creating liveable communities
3. Supporting access to meaningful employment
4. Improving access to mainstream services through better systems and processes.

The survey will close Monday 4 March, 2024 and should only take 5-10mins to complete. We greatly appreciate your time and effort in providing your valuable feedback.

When something is accessible, everyone can use it. When something is inclusive, everyone can participate.
