## WATER MAIN FLUSHING

As part of the Drinking Water Management System, Cowra Council's water team will be completing water main flushing between 11-15 November 2024 and 9-13 December 2024 (weather and resources permitting).

During these periods, flushing will occur in:

- Cowra
- Woodstock
- Gooloogong
- Billimari
- Darbys Falls
- Noonbinna
- Wattamondara
- Koorawatha
- Greenethorpe
- Bendick Murrell
- Wirrimah

Council does not anticipate disruption to water supply during these periods. Water main flushing will occur in Wyangala in approximately February-March in 2025.

For all enquiries please contact Council's Infrastructure & Operations Division on 02 6340 2070.

Cowra Council, on behalf of TfNSW, will resume heavy patching works on **Canowindra Road** this week. Crews will be working during regular hours, with lane closures and traffic control measures in place. Minor delays are expected.
