The Great Unwaste Day – Join the Leftovers Revolution

In an exciting step towards reducing food waste and creating a more sustainable

community, Cowra Council has announced it has officially joined The Great Unwaste. **About the day** – If every Australian household observed The Great Unwaste Day and stopped wasting edible food for just 24 hours, the results would be extraordinary: 5,000 tonnes of food saved, CO² savings to power 4,500 homes for a year, \$53 million back in our economy. We've chosen 29 September – the UN's International Day of Awareness of Food Loss and Waste. www.epa.nsw.gov.au
