PUBLIC NOTICES

Footpath Trading

Cowra Council is waiving all Footpath Trading Application fees until 31 December 2026, giving local businesses more flexibility to activate their shopfronts and help bring life to our CBD. This fee-free period includes application, inspection, and licensing fees, making it easier for businesses to use footpaths for things like A-frame signs, banner signs, and outdoor dining furniture. Council staff will be working with business owners to support applications and ensure the right insurance is in place. It's all part of our effort to create more welcoming public

spaces and support local trade. For details, contact Council's Environmental Services team on 6340 2040 or visit www.cowracouncil.com.au

COMMUNITY SATISFACTION SURVEY - WE WANT TO HEAR FROM YOU!

Our Community Satisfaction Survey is now open, and we invite you to take part. Your feedback is important to us. You may receive a call from (02) 5342 8092 as part of a random selection of residents, or you can choose to complete the survey online. Every response helps shape the services we provide—your voice truly matters.

Small Environmental Projects

Fund - NOW OPEN

Applications now open for the Small Environmental Projects fund from Monday 16th March. The fund provides financial support to local projects that enhance or create a sustainable environment and actively educate and engage the community in positive environmental outcomes. Find more info and apply via the Small Environmental Projects Fund page on Councils website.

TRAFFIC CONGESTION CAMERAS

As part of Council's ongoing commitment to easing congestion and improving traffic flow, we've partnered with Transport for NSW to install traffic monitoring cameras at the Kendal Street and Lachlan Street intersection.

These cameras help us better understand how traffic moves through this busy area.

These cameras are for monitoring only and have no enforcement functions.
